

PLAINS REGIONAL MEDICAL CENTER

MEET & GREET: OB/GYN

Come meet Plains Regional Medical Center's OB/GYN providers and tour our Labor & Delivery Department on the following days:

- **Feb. 7**, Caduceus Room, 3 p.m.
- **March 7**, Caduceus Room, 3 p.m.

Please park in the front parking lot located off Martin Luther King Boulevard. Please enter through the main entrance; upon entry, you'll see a desk staffed with our Pink Ladies – they'll be able to help guide you to the Cannon or Caduceus Room if you're not able to navigate there from the map below.

This will be a general meeting to meet our providers, go over our services and level of care, and to have the opportunity to tour the L&D Department.
